

NO MORE LOAN SHARKS

A PROJECT OF
ARIZONANS FOR RESPONSIBLE LENDING

DONATIONS

Thank you for your support. The predatory payday lenders spent **\$15 million** last year trying to fool the voters with Prop 200 – which would have allowed them to charge triple-digit interest rates in Arizona forever. The voters saw right through it, *defeating Prop 200 by more than 400,000 votes – 60% to 40% statewide.*

Now we must ensure that the Legislature does not overturn the will of the People!

Your generous donation will help us END legalized loan sharking in Arizona – and fight against new predatory lending schemes in the Legislature as they emerge.

Please fill out the information below and mail back with your contribution today. Thank you!
