DONATIONS

Thank you for your support. The payday lenders spent \$15 million in 2008 trying to fool the voters with Prop 200 – which would have allowed them to charge triple-digit interest rates in Arizona forever. But the voters defeated Prop 200 by more than 400,000 votes – 60% to 40% statewide – and said clearly that **The Sun Must SET on 400%**.

Now the payday lenders are back, at the legislature, trying to get around the voters and extend their special deal beyond the July 1, 2010 Sunset.

We must ensure that the legislature does not overturn the will of The People! Your generous donation will help us uphold the Sunset and finally END 400% payday loans in Arizona.

Please fill in the information below and mail back with your contribution today. Thank you!
