

# NO MORE LOAN SHARKS

A PROJECT OF  
ARIZONANS FOR RESPONSIBLE LENDING

## DONATION

**Thank you for your support.** The payday lenders spent \$15 million in 2008 trying to pass Prop 200 – which would have allowed them to charge triple-digit interest rates in Arizona forever. But the voters defeated Prop 200 and said “*The Sun Must SET on 400%.*”

Now the payday lenders are back at the Legislature, trying to get around the voters and extend their special deal beyond the July 1, 2010 Sunset. They’ve hired more than a dozen lobbyists and already have run 2 bills during the 2010 Session. We have defeated both. BUT, they’re not done ... **and we must keep up the fight!**

Your generous donation will help us uphold the Payday Sunset and finally END 400% payday loans in Arizona.
