

# **NO MORE LOAN SHARKS**

A PROJECT OF  
ARIZONANS FOR RESPONSIBLE LENDING

## ***ENOUGH!***

The payday lenders tried to pass **400%** interest rates  
at the ballot box in 2008...

**60% of Arizona Voters (nearly 1.3 million) said NO!**

Now, the lenders are trying to get *around* the voters  
to get a *new* special deal in the Legislature.

They *still* think they should be allowed to charge **400%**.

**We say:**

## **THE SUN MUST SET on 400%**
