

NO MORE LOAN SHARKS

A PROJECT OF
ARIZONANS FOR RESPONSIBLE LENDING

ENOUGH!

The payday lenders tried to pass 400% interest rates at the ballot box with Prop 200. You DEFEATED them 60-40 statewide!

Now, payday lenders AND OTHER predatory lenders are *trying to get around the voters to get NEW Special Deals* in the Legislature. They *still* think they should be allowed to charge triple-digit interest rates...

We're here to say NO WAY!
