

2010 Legislative Agenda

Approved 1-26-10

6-0

1. Protect Shared Revenues and local fiscal sustainability.
2. Protect local authority and decision making.
3. Urge the State Legislature to protect and enhance cities as economic drivers through economic development tools and the infrastructure needed to support a sustainable economy.
4. Urge the State Legislature to stand against exploitative payday lending practices in Arizona and oppose efforts to extend these practices indefinitely.
